

Art in World Cultures Course Guide

Fall 2022

Please use this as a reference for your assignments. This is just to let you know what you need to turn in and what you can do for “extra” credit—if you want it.

Remember, I allow any and all assignments and quizzes to be redone for more points at any time. Simply send me an email and let me know which Unit and Lesson you want reset. If you are in MORE than one course that I teach, let me also know what course. I have reset the WRONG lesson for people because of this confusion.

Please bookmark and visit the class website OFTEN! If you can NOT make it to LiveLesson for ANY reason, go to the website and find the link/button for Attendance. It will have a form with an activity that you can do which is the same or similar to what we did in LiveLesson. You will get an attendance for the day you do that form (if it is a weekend, I will apply attendance to the Friday before the weekend).
